

Pastor Earl was fantastic! My husband and I felt a connection with him the moment we met him. We opted to also do some pre-marital counseling, which we felt was very beneficial. All of our wedding party loved how he ran our rehearsal and he worked seamlessly with my venue. Our ceremony was beautiful!! Cannot recommend him enough!

My husband and I cannot say enough about how much we loved working with pastor Earl. He officiated our wedding and we also chose to meet with him for the couples counseling sessions he offered. I cannot recommend doing these sessions enough. Pastor Earl is so warm and kind. We got many compliments on our ceremony. He is incredibly thorough planning your ceremony as well. Our wedding coordinator was also raving about how prepared and wonderful he was. I will hands down recommend pastor Earl to every single person I know getting married. We feel like we got a forever family friend.
